Re: Closure of Administrative Order
Docket No. SDWA-8-2001-19
PWS ID #WY560 1248

Dear Mr. Canaday:

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Administrative Order ("Order"), Docket Number SDWA-8-2001-19, issued to Dillman Estates Public Water System on April 23, 2001. Notwithstanding your 2002 violation for failing to monitor for nitrate, EPA has decided to close the Order at this time.

Please be aware that you are still required to comply with the National Primary Drinking Water Regulations ("NPDWR"), 40 CFR Part 141. Violation of the NPDWRs or an administrative order may subject you to a court-imposed injunction and penalties of up to \$27,500 per day of violation.

Thank you for your attention to this matter and for your continued compliance with the regulations. If you have any questions related to this matter, please contact Eric Banghart at (303) 312-6971.

Sincerely,

SIGNED
